STANDARD GUARANTEE
(Recommended by American Shorthorn Association)

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

SALE MANAGER'S MESSAGE

This will be the Fifth Annual Spring Sale for the Northeast Kansas Shorthorn and Polled Shorthorn Association. Both horned and polled cattle will sell in this sale. There will not be a show. Consignors over the State of Kansas have entered 27 bulls and 30 females. Many of the females will either have calves by their side or be close to calving. Both bred and open heifers will be offered for sale. Some of these heifers would make outstanding club prospects.

The bulls in this sale are of very good quality; they represent some of the best Shorthorn herds in Kansas. If you have a herd bull problem for either a purebred or commercial herd to solve, this sale could satisfy your needs.

We have several small consignments of commercial cattle that will be sold following the purebred sale. If you attended last year's sale, you will know the quality of cattle we will have. We are expecting 150 head of commercial cattle.

If you are in need of Shorthorns, plan to attend this Shorthorn sale at Effingham, Kansas, Saturday, March 30, 1968. The quality of the cattle for these Northeast Kansas Shorthorn Sales improves each year. Many new herds have started from these sales.

Plan to attend the banquet and annual meeting, Friday, March 29, 1968, 7:00 p.m., Community Church, Effingham, Kansas. This is not a formal affair. Everyone is welcome. A good program is planned. This event is always worth your time. Hope to see you at Effingham.
